Välenz® Health Announces Promotion of Kevin O'Donnell to EVP, Solution Strategy & Expansion

Välenz® Health is pleased to announce the promotion of Kevin O'Donnell, MPA, to Executive Vice President, Solution Strategy & Expansion.

O'Donnell leads the expansion and integration of Valenz Health platform solutions for brokers, providers and payers, leveraging more than a decade of expertise in operations, change management, payment integrity and claims quality. A member of the senior leadership team since joining Valenz Health in 2022, O'Donnell has an extensive background with healthcare-related organizations, providing advisory and strategy services, project management and implementation support.

"Kevin is a tremendous leader who consistently delivers on our brand promise: engage early and often for smarter, better, faster, healthcare," said Nathan Nelson, Chief Revenue Officer. "He brings a self-motivated, entrepreneurial approach with an ability to quickly identify opportunities and develop recommendations to resolve issues and manage risks. In his new role, Kevin further leverages his vision and creative mindset to simplify healthcare."

At Valenz Health, O'Donnell has also served as Senior Vice President, Product & Marketing, and Vice President, Enterprise Solutions. He has excelled in expanding how Valenz Health delivers its integrated suite solutions for the self-insurance industry, driving innovations and leading marketing initiatives to increase company visibility and growth.

O'Donnell, who is based in Newark, Del., previously served in senior roles with Evolent Health and Navigant. He holds a master's degree in public administration with an emphasis in health and human services from the University of Arizona's Eller College of Management.

About Välenz® Health

Välenz® Health is the platform to simplify healthcare – the destination for employers, payers, providers and members to reduce costs, improve quality, and elevate the healthcare experience. The Valenz Health mindset and culture of innovation combine to create a distinctly different approach to an inefficient, uninspired health system. With fully integrated solutions, Valenz Health engages early and often to execute across the entire patient journey – from care navigation and management to payment integrity, plan performance and provider verification. With a 99% client retention rate, we elevate expectations to a new level of efficiency, effectiveness and transparency where smarter, better, faster healthcare is possible.
